

■ **Original Game** From the eyes of the Elden Ring, the game is an action RPG, and its new fantasy setting invigorates the genre and captures the full depth of the RPG experience. ■ **Vast World** A vast world of the Lands Between, which is the area between the first five worlds. It includes various fields and dungeons such as the Isle of Dawn, a continent-sized island, and the Land of Many Towers, a world that changes size and appearance. ■ **Multiple Enemies** The main enemies you will face are magnificent warriors that combine the speed of a ninja with the strength of a giant. In addition, there are many additional enemies as the game goes on, including flying dragons, giant monsters, and even dragons. ■ **Customize Your Battle Style** You can freely combine weapons, armor, and magic that you equip, so you can freely develop your play style. For example, you can enhance your muscle strength, or become a powerful magic user. ■ **One-of-a-Kind Story** A multilayered story that is born from a myth, and in which the various thoughts of the characters intersect in the Lands Between. ■ **STORY** The Lands Between has been at peace for many years, but the peace was shaken by the ninth Day of Kami, the Day of Darkness. Two monsters were born from the World of Souls and began to attack the universe. In order to overcome the monsters and restore the unity of the World of Souls, a hero shall emerge. ■ **LOOKING FORWARD** ■ **GAMEPLAY** The Elden Ring is an action RPG whose events happen in the Lands Between. The unique atmosphere is characterized by its wonderful fantasy world and an action-heavy battle system where you freely customize your tactics. ■ **STORY** The Lands Between has been at peace for many years, but the peace was shaken by the ninth Day of Kami, the Day of Darkness. The list of cryptocurrencies is long. Do your research, here. Bitcoin was the first. Ethereum was the best. But because Ethereum hasn't been implemented properly in the last 4 years, out of the top 5, its value has gone in the wrong direction, and almost crashed due to lack of solidity in the block chain. Luckily, the market can support a few coins to survive and, as they remain outstanding tools.

Know your date

You want to seize opportunities as they arise. You want to plan for the future. You want to save the profit on any sale of bitcoin. You want to be clear about the risk that volatility poses for you. You want to choose to seize every opportunity. We are inseparable from the market. There will be ups and downs — the question now, is how you will react.

Will it happen to me?

Bitcoin

What is bitcoin? Bitcoin is a cryptocurrency. Many people pay attention to its cutting-edge technology. They hear about the excellence and efficiency of the blockchain. They marvel that so many people are embracing it. But not everyone is talking about its cutting-edge technology.

Ethereum

Ethereum is a decentralized cryptocurrency. Distributed ledger technology is what it is all about. Ethereum has begun its own blockchain to actively.

TokenCoins

Earn Ether (ETH) and turn it into the numbers you want through trustless, decentralized trading. Trade all from our TRUSTLESS HUB. They are trying to compete with Ethereum on technology but have yet to hit their stride.

What's new in Elden Ring:

***Elden* was released for PS3 last week (in North America, anyway) and DS in Europe. (Permalink)**

***Elden* has a number of features, with most of its design centered on breaking the action RPG genre. The formula is relatively simple: speak to NPCs, gather items and stats, create a character, and go on an adventure. The formula is simple, but you'll find the twist here; in addition to speaking to characters, you can select their respective actions as you see fit. Your position allows you to change their responses on turn-based basis (even when they're out of sight). Even more, the scale of the world, its scale of exploration, and a number of PvP scenarios mean there will be much exploration going on. You can also gain an object which acts like an avatar which gives you greater autonomy.**

Tyler and I interviewed the two designers/creators of *Elden* during GDC last year and have a more in-depth interview with them available on our talk page.

***Elden* is a fantasy action RPG which is currently free to download on PS3, and is set to come to the PS4 next week. (An early look at the Vita version is currently in**

Monroe man accused of harassing woman at Mexican restaurant 9:51 PM, Dec. 17, 2012 Written by A
Monroe man has been accused of harassing a woman in her 30s at a Las Quintas Mexican restaurant in
Beaumont. Police say Eduardo Cedeño-Acuña, 44, threatened to pay a cartel money order to the woman's
account at the restaurant if she did not go outside with him sometime between 2 p.m. and 3 p.m. Thursday.
Once outside, police say, he grabbed the woman by the throat and tried to pull her through the office door.
When she broke free from his grip, the woman told officers she called the Beaumont Police Department,
which arrived and arrested
